**The Winthrop Parents Network, funded by the Department of Early Education and Care's Coordinated Family and Community Engagement Grant (CFCE) to provide early literacy, parenting education, developmental screenings, and resources and referrals for families with children aged 0 - 8, has partnered with CASA to provide comprehensive support to families in need.**

**In 2023, CASA founded the Winthrop Equitable Family Engagement Network funded by the Center on Child Wellbeing and Trauma-CART Initiative to offer additional assistance to non-English speaking children and families; further strengthening the organizations' joint efforts to improve early childhood education and family engagement in Winthrop.**
